### **Summary of requirements:**

Four four-unit courses or the equivalent, including:

- Historiography of the History of Science (HistSci 3003a); two additional graduate seminars (2000-level; HistSci 3002 Independent Study may substitute for one of these)
- One additional History of Science course, designated either “for undergraduates and graduate students” (1000-level) or “primarily for graduate students” (2000-level)

*History of Science courses include:*

1. Courses taught in other departments by members of History of Science faculty
2. Courses cross-listed under History of Science in the [online course catalogue](#)
3. Graduate-level courses offered by the Massachusetts Institute of Technology in the [History, Anthropology, Science, Technology and Society Program](#)

Students must meet at least once each academic year with the History of Science DGS to review progress; all courses must be approved by the DGS. All courses must be completed with a grade of B+ or higher.
