

VITA

Charles E. Rosenberg

CONTACT INFORMATION: Email: rosenb3@fas.harvard.edu
Phone: 617-495-9953 (o)
Address: Dept of the History of Science,
371 Science Center, Harvard University
Cambridge, MA 02138

BORN: November 11, 1936
American citizen

DEGREES: B.A. University of Wisconsin, 1956
M.A. Columbia University, 1957
Ph.D. Columbia University, 1961

FELLOWSHIPS AND HONORS:

Fellow of the Johns Hopkins University, Institute of the History of Medicine,
1960-61
Guggenheim Fellow, 1965-66, 1989-90
National Institute of Health, Research Grant, 1964-70
Recipient, William H. Welch Medal, American Association for the History of
Medicine, 1969
Member, Council, History of Science Society, 1972-5
Member, History of Life Sciences Study Section, National Institute of Health,
1972-75
Senior Fellowship, National Endowment for the Humanities, 1972-73
Member, Council, American Association for the History of Medicine, 1974
Rockefeller Humanities Fellow, 1976-77
Fellow, Institute for Advanced Study, 1979-80
Vice-President (1980) & President (1981), Society for the Social History of
Medicine
Member, Board of Directors and Executive Committee, Library Company of
Philadelphia, 1980-2010
Member, History and Philosophy of Science Panel, NSF, 1981-82
Fielding H. Garrison Lecturer, American Association for the History of Medicine,
1982
Fellow, Center for Advanced Study in the Behavioral Sciences, 1983-84
Member, American Antiquarian Society, 1984-
Member, Institute of Medicine, 1984-
Member, Executive Board, Organization of American Historians, 1986-88
Member, American Academy of Arts and Sciences, 1986-
Benjamin Rush Lecturer, American Psychiatric Association, 1988

Vice President (1990-92) and President (1992-94), American Association for the History of Medicine; Lifetime Achievement Award, 2010.
Recipient, George Sarton Medal, History of Science Society, 1997
Recipient, Honorary Ph. D., University of Wisconsin, 1997
Member, Board of Directors, Center for Advanced Study on the Behavioral Sciences, 1999-2005.
Member, American Philosophical Society, 2002-, Library Committee, 2002-, Council, 2006-12.

TEACHING AND ADMINISTRATIVE EXPERIENCE:

Lecturer, University of Wisconsin, 1961-62
Research Assistant Professor, Department of History and History of Science, University of Wisconsin, 1962-63
Assistant Professor, University of Pennsylvania, 1963-65
Associate Professor, University of Pennsylvania, 1965-68
Professor, University of Pennsylvania, 1968-
Chair, Department of History, University of Pennsylvania, 1974-75, 1979-83.
Chair, Department of History and Sociology of Science, 1991-95.
Professor of the History of Science and Ernest Monrad Professor of the Social Sciences, Harvard University, 2001-
Acting Chair, Department of the History of Science, Harvard University, 2003-04

BOOKS AND EDITED VOLUMES:

1. The Cholera Years: The United States in 1832, 1849 and 1866. Chicago: The University of Chicago Press, 1962. (Reprinted in paperback, University of Chicago, Phoenix Books, 1968; second ed. with new afterword, 1987.)
2. The Trial of the Assassin, Guiteau: Psychiatry and Law in the Gilded Age. (University of Chicago Press, 1968). Reprinted in paper, 1976.
3. The Family in History (Philadelphia: University of Pennsylvania, 1975), editor and author of chapter 1, "History and Experience," pp. 1-11 (reprinted in paper, 1978).
4. No Other Gods: On Science and American Social Thought (Baltimore: Johns Hopkins, 1976; reprint in paper, 1978).
5. Healing and History: Essays for George Rosen (New York and London: Science History Publications and Dawson, 1979), editor and author of "George Rosen and the Social History of Medicine," pp. 1-5, and "Florence Nightingale on Contagion: The Hospital as Moral Universe, pp. 116-36.

6. The Therapeutic Revolution: Essays in the Social History of American Medicine, edited by Morris Vogel and Charles Rosenberg (Philadelphia: University of Pennsylvania Press, 1979).
7. The Care of Strangers: The Rise of America's Hospital System (New York: Basic Books, 1987).
8. With Janet Golden, Pictures of Health, A Photographic History of Health Care in Philadelphia, 1860-1945 (University of Pennsylvania Press, 1991).
9. Edited with Janet Golden, Framing Disease, Studies in Cultural History (New Brunswick: Rutgers University Press, 1992), author of "Framing Disease: Illness, Society, and History," pp. xiii-xxvi and individual headnotes.
10. Explaining Epidemics and other studies in the History of Medicine (Cambridge University Press, 1992).
